TRUMP is in the OVAL OFFICE behind the DESK with PENCE to his left.

TRUMP
You know Pence?

PENCE
Yes, I do.

TRUMP
I keep fearing that everyone's going to find out the truth.

PENCE
Did you have that dream again?

TRUMP
That nightmare? Yes, but this time me, the entire cabinet, you were there, Pence.

PENCE
(smirking)
Of course.

TRUMP
My kids, all twenty one and over, my wives, mistresses, including Paul Ryan, in fact every bad relative that led up to me being born. Most of the Republican Party, except Lincoln, he's really a Democrat. Remind me to get rid of that Fourteenth Amendment. We need to bring back cheap labor again. Let's start with all those losers who voted for me. You know I won the popular vote.

PENCE
Of course, sir. We'll start with all the ones who got a picture taken with you. They'll be easier to find and easier to dupe.

TRUMP

That's perfect! Those types will follow me into hell, but thankfully they've helped me bring hell to earth.

PENCE

Very good sir, but back to your dream. Are you saying that all of your business associates weren't there this time?

TRUMP

Oh no, they were there too, but only the ones who helped me pull swindles. So many, so many. Oh it was very bad, very....bad.

PENCE

Where were we this time, empty bankrupt Trump Tower again?

TRUMP

No much worse, we were all mulling about bumping into each other, like we were all corralled onto this big empty field. No plants. No big boobs, very scary.

PENCE

What were we doing?

TRUMP

Just bumping into each other, plotting evil like usual, until I was handed this big gold beautifully embossed folder, you know the ones, like I hold up every time I do an Executive Fast Food Order, and people take my picture. Rachael has nothing on my EFFO, trademark.

PENCE

Yes, very good sir. What did it say this time?

TRUMP

'We the People', you know the ones, all bad hombres all of them. Quoting the Declaration of Independence like there will be some kind of Revolution to get rid of all us criminals running the greatest show on earth. Anyway all these bad hombres know that my tax returns show that I'm not rich, that I avoid paying taxes by maintaining an extreme level of insolvency.

(interrupted)

PENCE

That's a big word, you may not want to be saying that out loud?

TRUMP

That all my 'wealth' is all tied up in debt. That my debt actually rivals the national debt. And that I love debt, and my wealth is not real, it's all fake, I'm fake,...fake wealth, fake President, love debt, fake wealth, love debt, fake President, love debt, really love debt, fake wealth, fake wealth, fake President, fake President...

PENCE

(interrupting)

There, there, calm down.

TRUMP

Am I getting excited? I'm calm. I'm calm.

TRUMP (CONT'D)

In fact that's what I've been saying over and over while on the golden god I recently had installed at the White House. 'Keep Calm and Dump, Keep Calm and Dump'. Oh I'm just criminal. I can't stand it.

(zombie like)

Trumpidation. Trumpidation.

PENCE

Don't worry no one will know the truth if you just remember to keep up the con.

TRUMP

How about keep up the quiet?

PENCE

Oh we all know that is impossible.

TRUMP

(excited)

Is that why we're all bumping into each other like another bad zombie movie, where I'm the star, as usual, corralled onto the latest test site for North Korea? Oh no I feel the dread coming on again.

(zombie like)

Trumpidation. Trumpidation.

(more excited)

I've got to tweet that. WWW Dot Trumpidation Dot US. It has just the best meaning of that word inspired by some loser who became President.

Pence slightly alarmed attempts to regain control of the growing trepidation.

PENCE

(gently)

Keep Con and Trump.

(CONTINUED)

CONTINUED:

TRUMP

Keep Calm and Dump, I mean.

(slower)

Keep Con and Trump.

(calms down)

Ah I feel better. Even though I think I might need to visit the little cons room again.

PENCE

Okay, let's go over to the little cons room and you can play with your little tweet bird again.

TRUMP

I love my little tweets.

Trump stands up and Pence leads him to a giant barred in METAL CRIB (prison) like structure where Trump sits down on some BIG PILLOWS surrounded by TOYS including big embossed GOLDEN FOLDERS with a large GOLDEN TOILET and a PLAIN COT under a large TOY LADEN MOBILE in the background. Trump puts a small SQUARE of BLACK ELECTRICAL tape between his nose and upper lip.

TRUMP (CONT'D)

I think I'll dye my hair black.

PENCE

Are you sure, that is less Aryan race?

TRUMP

Oh I don't know. It was good enough for my idol, and my name is Donald H.

PENCE

It is Donald J, Sir.

TRUMP

Remind me to E double F O a change to H for my idol.

Adolf should have become President,
he would have gotten a lot more
done.

Trump then picks up a colorful TOY MISSILE with the word
BOOM and a LOLLIPOP of a half eaten REPUBLICAN PARTY
SYMBOL.

TRUMP (CONT'D)

Ooo I love these, I'm so happy to
be here. I know this is where I
belong, and.

Both Trump and Pence from behind bars.
